## TEAM BUILDING AND PARTIES

For your seminars, we can help you organize team-building activities, either on site or outdoors: escape games, Olympic games, treasure hunts, and adventure games.

There are several experiences available around the hotel: 2CV rallies, electric bike rides, or visits to vineyards to discover the richness of Provence in a different way.

For private events, it is also possible to organize dance parties to extend your events in a festive and friendly atmosphere.

At the hotel, enjoy areas dedicated to relaxation and leisure: Outdoor pool, sauna, pétanque court, two treatment rooms, foosball, ping-pong, darts, Molki, and board games.

To make your stay perfect, go hiking in the heart of the garrigue, between the majestic Sainte-Victoire mountain range and the enchanting landscapes of the Alpilles. Then stroll through the narrow streets of Salon-de-Provence and the charming Provençal villages nearby.

Discover the art of Marseille soap at Marius Fabre or Rampal Latour, and, depending on the season, watch the Patrouille de France training a few miles from the hotel.
